TechSource Awarded Professional Services Schedule (PSS)

Los Alamos, NM - TechSource, a leading high-technology small business, is pleased to announce it received an indefinite delivery, indefinite quantity (IDIQ) contract from the GSA Management Services Center - Professional Services Schedule (PSS) #GS00F003DA.

The award of the consolidated PSS contract provides single-point access to TechSource's comprehensive scientific, engineering, and management services to an even greater array of public sector agencies charged with some of our nation's most complex and ever-evolving Federal missions.

Under GSA PSS TechSource will offer a full suite of services including: Strategic Planning for Technology Programs/Activities; Concept Development and Requirements Analysis; System Design, Engineering and Integration; Test and Evaluation; Integrated Logistics Support; Acquisition and Life Cycle Management; Construction Management; Business Consulting & Program Support Services; Acquisition Management; Consulting; Facilitation; Program and Project Management; Surveys; and Training.

TechSource CEO, V. Brian D'Andrea, shared his confidence that the PSS will be Federal agencies' go-to contract to access the firm's extensive expertise, "The PSS provides an expedited platform for agencies in the Federal Government to capture and use TechSource's unsurpassed intellectual resources to ensure that they meet their assigned mission and objectives in a cost-effective and time-sensitive manner. We are pleased to have the opportunity to provide our outstanding engineering and other technical services to the Federal Government under this schedule."

Founded in 1997, TechSource is comprised of over 500 senior level engineers, scientists, and leaders from the national laboratories, Federal technology programs, and the nuclear industry. TechSource is recognized as an independent, qualified expert whose advice and products uniquely and effectively bridge technical and programmatic requirements.
