PRESS RELEASE

FOR IMMEDIATE RELEASE

July 8, 2019

**TechSource Inc. Tapped for the 7th Time as
One of New Mexico's Top Fastest Growing Tech Companies**

Los Alamos, NM. TechSource is once again honored to be selected as a 2019 New Mexico Flying 40 awardee by Sandia Science and Technology Park Development Corp. This award marks the seventh time in 10 years that TechSource has received this distinction. The New Mexico Flying 40 awards annually honor the 40 fastest-growing and highest revenue-generating technology companies headquartered in New Mexico.

TechSource is a leading high-technology science and engineering small business offering recognized expertise in nuclear and physical sciences, engineering and technology, domain knowledge, and decision analysis. TechSource offers policy to test bench technical and management services in coordination with point of interest expertise to organizations responsible for developing, implementing, operating, and managing high-technology programs nationwide. For over 20 years, TechSource has successfully supported a diverse and expanding client base including U.S. Federal Agencies, the National Laboratories, the Navajo Nation and commercial entities.

TechSource President and CEO V. Brian D'Andrea is gratified that company has received recognition for its growth and success, "To be recognized as one of New Mexico's fastest growing companies for the eighth time is powerful evidence of our long-term commitment to provide the focused support and hard to find skillsets our customers require to successfully bridge the in-house talent gaps that derail their ability to achieve mission-critical goals. I have always considered our employees to be our greatest asset. Their ability to develop and deliver proven results for each customer's unique technical, program, and management requirements is unparalleled."

The Flying 40 program sponsors are Albuquerque Journal's Business Outlook, Delta Dental, Innovate Albuquerque, KPMG LLP, New Mexico Bank & Trust, NMA Ventures, Sandia Science and Technology Park Development Corporation, and True Health NM.
