## TechSource Chairman and CEO V. Brian D'Andrea Joins the New Mexico Region Red Cross Board of Directors

**Los Alamos, NM.** TechSource is pleased to announce its Chairman and CEO, V. Brian D'Andrea, has joined the New Mexico Region American Red Cross Board of Directors.

Brian has a life-long connection to the Red Cross organization through his father's and sister's many years of volunteering and his disaster response mission through his extensive training and deployment as a DoD Emergency Preparedness Liaison Officer while in the Navy. "I am grateful to be given the opportunity to support such a well-respected, transformational, and compassionate organization," Brian shared. "I look forward to being an active member of this exceptional organization and supporting their mission to prevent and alleviate human suffering throughout the New Mexico Region."

The American Red Cross in New Mexico partners with the community to develop and foster safer families, neighborhoods, and worksites. They are a leading public benefit corporation promoting a system of community self-sufficiency and compassionate response when emergencies arise.
