TechSource Honored for the 10th Time as One of the Fastest Growing Companies in New Mexico

Los Alamos, NM. TechSource is selected as one of New Mexico's 2022 Technology Flying 40 awardees for excellence and growth in high-tech and is gratified to be included in the Flying 40 for the tenth time. Maintaining sustained performance that delivers the growth recognized for this award yet again is truly remarkable, especially during these challenging times of pandemic.

"The Flying 40 award is a well-deserved opportunity to recognize our people," says V. Brian D'Andrea, Chairman and CEO of TechSource. "Our success, growth, and on-going evolution at its core is driven by our people. Their commitment to delivering implementable results, from policy to test bench, has made us a trusted partner to those faced with solving problems to some of the most complex issues facing the nation today. As TechSource continues to grow and expand its operational footprint in New Mexico we endeavor to be included on this list for years to come."

"It is an exciting time to be at TechSource," according to Barry Shulock, TechSource's Vice President – General Counsel & Human Resources Director. "We continue to drive employee engagement, growth, and revenue. With the opening of our new Albuquerque Office, TechSource is well-positioned to strengthen our presence in New Mexico's largest metropolitan area and meet the needs of our customers. Being recognized again as a top-tier employer incentivizes us to make TechSource a welcoming home to even more qualified workers from diverse backgrounds and specialties. Even though this is the tenth time TechSource has been recognized with this honor, we continue to treat every day as an opportunity to improve."

The New Mexico Technology Flying 40 Program's sponsors include the Sandia Science & Technology Park Development Corp., KPMG LLP, New Mexico Bank and Trust, the Albuquerque Journal Business Outlook, Delta Dental, OneTen Capital, New Mexico MEP, the City of Albuquerque Economic Department, and Admiral Beverage Corp.
