

## PRESS RELEASE

**TECHSOURCE®**

**FOR IMMEDIATE RELEASE**

August 13, 2024

### **TechSource Recognized as One of the Fastest-Growing Companies in the U.S.**

TechSource, Inc. is proud to be named on the Inc. 5000 list of Fastest-Growing Companies in the U.S. for the tenth time. TechSource ranked #3868 on the overall list, #39 in Engineering, and #4 in New Mexico. Compiled by Inc. Magazine, the Inc. 5000 list highlights top-tier, privately owned companies based on their percentage growth over a three-year period.

"Being recognized for this tenth Inc. 5000 award speaks to true, sustained delivery of mission value. Our team provides unmatched depth and breadth of experience in high technology disciplines and projects. It is our team that has earned and sustained our reputation as the go-to resource for organizations seeking implementable solutions for very challenging problems and that deliver extraordinary value," states TechSource Chairman and CEO, Brian D'Andrea. "Our unwavering commitment to our customers' mission will continue our expansion and growth as a company."

TechSource's ongoing recognition on this esteemed list highlights the impressive and steady growth we have achieved in the national nuclear security mission space while also affirming our successful expansion into new markets.

"Our success is driven by our exceptional team. Their passion for our mission and ability to leverage their unique expertise has fostered growth and empowered our clients to achieve their critical objectives with confidence. We are honored to be recognized alongside firms distinguished by their innovation, ingenuity, and integrity. Each and every company on this list inspires us," says President and COO, Jeff Giangiuli. "With over 25 years of experience, our team stands among the industry's finest"

Collectively, the Inc. 5000 honorees generated \$317B in revenue in 2023, as well as creating 874,458 jobs over the last 3 years.

#### **About TechSource**

TechSource, Inc. a Veteran Owned Small Business (VOSB), is a premier provider of science, engineering, and technology expertise, services, and solutions for over 25 years. We leverage the decades of experience and expertise of each of our 500+ senior-level engineers, scientists, and leaders from the national laboratories, federal technology programs, and the nuclear industry to drive innovative solutions focused on mission delivery in national security domains. For our employees, we offer clear career paths, competitive compensation, and opportunities to learn from world-class mentors. TechSource is a multi-year Top Workplace awardee and was honored this year as DOE's Small Business of the Year.
