TechSource Announces the Promotion of Four Senior Vice Presidents

Los Alamos, NM. TechSource is pleased to announce the promotion of four Vice Presidents to Senior Vice President, reflecting the company's trust in their exceptional leadership, strategic vision, and unwavering dedication to driving growth and delivering results.

The following distinguished leaders have been promoted:

Curtis Christensen—Senior Vice President, West Operations

Brent Clark—Senior Vice President, East Operations

John Meyers—Senior Vice President, Chief Growth Officer

J. Quinn Wingerd—Senior Vice President, Chief Financial Officer

“At TechSource, we believe that investing in our people is investing in our future,” stated Jeff Giangliuli, President and COO. “These promotions recognize the critical contributions of our leaders and their pivotal role in propelling our growth and success. Their efforts fuel innovation, push boundaries, and reinforce our position as a leader in the competitive GovCon market.”

This milestone represents a significant step forward for TechSource as the company continues to evolve and rise to the challenges of its mission. By strengthening our leadership team, we are better equipped to deliver innovative solutions, provide unparalleled expertise, and advance the nation's strategic deterrence objectives.

“Our leaders will drive our strategic direction and shape the path forward for TechSource while ensuring we continue to deliver for our customer,” said Brian D’Andrea, Chief Executive Officer. “TechSource has a bright future.”

Through this enhanced leadership, TechSource is poised to build on its legacy of excellence, ensuring its continued growth and impactful contributions to the GovCon industry.

About TechSource

TechSource, Inc. is a premier provider of science, engineering, and technology expertise, services, and solutions for over 25 years. We leverage the decades of experience and expertise of each of our 500+ senior-level engineers, scientists, and leaders from the national laboratories, federal technology programs, and the nuclear industry to drive innovative solutions focused on mission delivery in national security domains. For our employees, we offer clear career paths, competitive compensation, and opportunities to learn from world-class mentors. TechSource is a multi-year Top Workplace awardee and was honored as DOE's Small Business of the Year in 2024.
